

The Undestroyed

-Don't know why I'd listen to you on the subject of women and men.

-Since I've tried both?

-Yeah, but once or twice over lightly. Drink deep!

-Not just now.

-Tis better to have loved and lost, than never to have really loved at all.

-That's bullshit!

-Poetry.

-Then worse!

-Never to have had your heart broken?

-I know, a tragedy!

Life's a comedy to those who think and...

Scarce to thos who feel!
